EMERGENCY POWER

ER100

ER100: multifunctional system, with LED torch and emergency power bank with dynamo and solar panel, essential for charging your devices and facing any situation.

Emergency power bank

ER100

The ER100 is the **innovative pocket-sized emergency power bank**, equipped with a dynamo and solar panel, designed to provide energy even in the most critical situations. This multifunctional device ensures reliability and resistance, representing an indispensable resource for personal safety.

Thanks to the **built-in dynamo**, it is possible to generate energy manually, making the ER100 ideal for hiking, camping or emergencies outside or inside the home. The solar panel allows you to harness the energy of the sun, ensuring you do not run out of power at crucial moments. **Easy to use and portable**, the ER100 is the entry level of a line of products designed to protect and support you in every situation, wherever you are.

Description

Are you looking for a versatile, practical and reliable device for all your adventures? ER 100 is the perfect solution!

ER100 is a multifunctional system, with LED torch and emergency power bank with dynamo and solar panel, essential for charging your devices and facing any situation.

Main features that make it unique:

- **Solar panel:** Charge your device using the power of the sun, ideal for days outdoors.
- **Dynamo for manual charging:** No battery? No problem! Just a simple rotation to always have energy at hand.
- **Practical built-in torch** to illuminate your night-time adventures
- **Built-in AM/FM radio:** Tune into your favourite stations anywhere, whether you're camping, hiking, or at home.
- **Micro USB port:** Conveniently charge with a standard connection.
- **USB-A port:** Use the ER 100 as a power bank for your smartphone and stay connected when you need it most.
- **Exceptional battery life:** Up to 25 hours of continuous use, so you'll never be left without entertainment or energy.

Why choose the ER 100?

With its compact and durable design, the ER 100 is the essential accessory for those who love to travel, camp, or simply live prepared for any emergency. The combination of innovative technology and practicality makes it your ideal ally in every situation.

Ready to bring energy and music into your life? Don't wait! Choose the ER 100 and live without limits!
