

SpectrumForce™ SP-102E Lapel Speaker

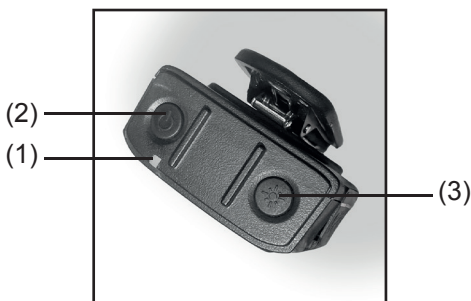

USER MANUAL

The **SpectrumForce SP-102E Lapel Speaker** is a simple to operate, amplified speaker that works on most scanners and many other communications devices. It has been tested on most (but not all) current and recent handheld scanners from Uniden® (*), Whistler®, GRE®, Radio Shack® and Icom®. It features an internal rechargeable battery that will provide hours of use.

(*) SDS100E scanners require the optional Stereo to Mono Adapter. Do not operate this lapel speaker on the SDS100E without the adapter. (Other Uniden handheld scanners do not require the adapter.)

INSTRUCTIONS:

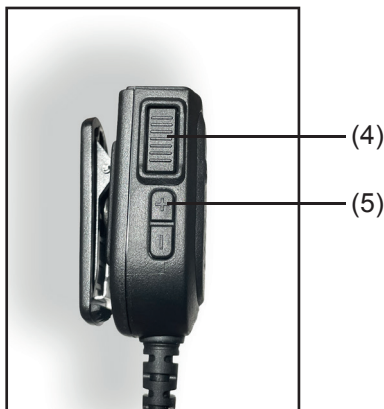

- Insert the unit's plug into the headphone jack of the scanner.
- Press and hold the power button on the top left of the speaker to power the device on. A short single beep will be heard when power is on, you may then release the button and the unit will operate.
- To turn it off press and hold the power button until you hear 3 quick beeps, that indicates the power is now off.
- To adjust the volume, press the lower (-) or upper (+) volume buttons on the left side of the radio. You will hear an increasing or decreasing beep level as the volume level changes.

PRODUCT LAYOUT:

Top:

- (1) Status Light:
Green indicates the unit is powered on. When fully charged while unit is off, the light will also be green.
Orange indicates unit is charging the battery with unit on.
Red indicates charging with unit off.
- (2) Power button: Press and hold to turn the power on or off.
(3) Light button: Press to turn flashlight (front side) on or off.

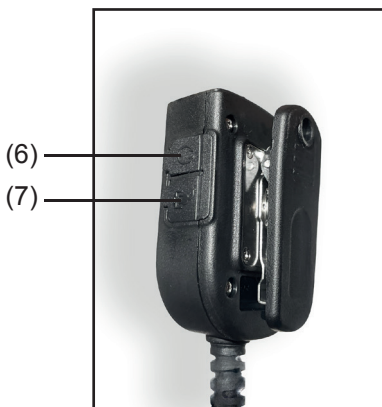

Left:

- (4) Large button (top): Reserved for future use.
(5) Smaller buttons: Volume Up (center), Volume Down (lower).

Right:

- (6) Upper Jack: Earphone Jack (turns off Lapel Speaker and provides audio to earphone when connected).
(7) Lower Jack: USB-C port. Charge battery when connected to a USB power source.
Time to full-charge depends on charge remaining in the internal battery when connected.
Use only USB-C cables in this jack, other USB connectors will not fit.
